

Opportunities for sub-contractors and suppliers of services to the construction industry

North Tyneside Business Forum is teaming up with Robertson Construction (Northern England) to promote forthcoming opportunities arising from their planned construction operations across the North of England.

Robertson currently has a number of ongoing projects in the area for both the public and private sectors. These include new build, extensions and refurbishments over a wide range of sectors and contract values. They've also secured a further workload which will provide sub-contracting opportunities across the entire construction supply-chain range (see below).

If you would like to hear how you can work with Robertson on these projects, come along to the breakfast meeting on Thursday 23 February 2012. The venue is Backworth Club (Station Road, Newcastle Upon Tyne, Tyne And Wear NE27 0AG and ample parking is available.

- 7.30am Registration and breakfast (bacon sandwiches)
- 8.00am Start. Welcome & housekeeping
- 8.05am Robertson presentation (intro, forthcoming works, local supply chain requirements)
- 8.30am Questions & Answers
- 8.45am 'One-2-One's with Robertson reps & also with 'B to B' (free procurement training & support)
- 9.30am End

Business Forum Members can register on the website. Non members can email business.forum@northtyneside.gov.uk, or alternatively ring Sandra Wilson on 0191 6436000.
